

HaSaR³ SOLUTIONS

"Connecting you with the World"

Our Core business is to help you establish a high-performance yet cost-effective "nearshore" Contract Center in Bhadravathi. Our agents are fully multi-lingual, multi-cultural, well educated and have expertise in a wide array of business functions. Our management team has expertise. We have the legal framaework, technology, infrastructure and administative personnel to quickly get your center up and running.

Enhance Productivity and Efficiency

Today's business environment is synonymous with perpetual fluctuation, tight margins and stiff competition, HCR provides the means for organizations to achieve an advantage in their field, through information technology, business processes and services outsourcing.

HCR is an experienced and trusted IT-BPO solutions provider, offering a range of services that are customized for the individual needs of a customer.

- IT Outsourcing Services
- Finance and accounting BPO Services
- Back Office BPO Services
- Call Center Outsourcing Services
- E - Commerce Training and Development
- Digital Marketing Services

Customized for the individual needs of a customer, be it a Fortune 500 company or a start - up. our end to end services deliver optimum results to our clients. enabling them to strengthen their capabilities, streamline their operations, create better offerings for their end customers and ultimately, experience an accelerated pace of growth and focusing on their core competencies.

Mission

To be a reliable and consistent world-class solutions provider of choice in niche markets.

Vision

To deliver reliable and consistent services with highest satisfaction to our customers.

Our Focus

Our goal is to help transform clients operations to overall performance, efficiency , customer loyalty and revenue. Our focus is on building long - term relationships with our clients and we view ourselves as a strategic extension of their capacities and not as an external organisation. Invensis aims to deliver innovative process and information technology efficiencies to all of our clients.
